

MCKS KRIYASHAKTI®

The Spiritual Science of Materialization for Prosperity and Success

GrandMaster Choa Kok Sui
Founder of Modern Pranic Healing

MCKS Kriyashakti® gives you step by step tested and validated techniques. With this technology you are empowered to properly utilize subtle energies, your chakras and aura to create a life of prosperity and success both materially as well as spiritually.

Learn and Practice Powerful Principles and "Hands On" Techniques

- **Prosperity Meditation** Designed to purge old lingering negative programming from childhood and simultaneously build a network of powerful Thought Forms, interlaced into your aura, to continuously attract prosperity and wealth.
- **The Blue Triangle** to trap and destroy negative Thought Forms obstructing your success and the manifestation of your goals.
- **How to use Money to Accelerate your Spiritual Development.** This is indeed a priceless teaching that will assist many spiritual practitioners.
- **Disintegrating Self-Sabotaging Thought Forms**, guilt and poverty consciousness located in critical areas of your aura. Students have experienced immense relief and freedom after.
- **The Principle of Moderation and Accumulation** used by Asia's Super Rich to accumulate & retain wealth for generations.
- **The Science of Tithing and Entitlement.** Know where to give first and where to give last. The sequence allows you systematically create your own good luck. Learn a simple technique to Generate Prosperous Karma to entitle you to Prosperity and Abundance.
- **Locating and Activating your Prosperity Chakra** and be more practical and grounded. This also makes you more magnetic to Prosperity and Success Energies.
- **Quickly Removing Poverty Energies and Programs** you have absorbed from people and past situations.
- **A Critical Mudra NOT to Use** as it dematerializes your Thought Forms! Many spiritual practitioners are suffering unnecessarily because this teaching has not been available to them.
